MISSION

To create joyous panelling from salvaged woods
that enriches surfaces and enhances your interior.
We strive for the highest quality to produce
panelling that will last a lifetime.

HOW

We scour the land for woods that can be salvaged
and upcycled, giving discarded timber a second
lease on life. Typically, we'll turn a weathered girder
into a striking collection of unique wall tiles.
It's a reincarnation of sorts.

WHY

We love wood and working with craftspeople.
We love salvaging woods, breathing new life
into something old, worn and weathered.
We love exploration and travel. We love design and
having fun with like-minded souls.
That's why we do what we do the way we do it.
