# RECLAIMED SALVAGED ORIENTAL WOODS

## THE MIXED SALVAGED COLLECTION

We happily buy wood that cabinetmakers and sawmill-owners have rejected because of small scars and/or cracks. To them these imperfections make a piece of wood unsuitable. Whereas we love the idiosyncrasies and use them to the betterment of our collections.

Disused telegraph poles, girders, railroad sleepers, derelict houses, ... anything goes.  
For this mixed bag we source in India and Indonesia.
